professional office space for nonprofits

meet the space that's right for you

We understand the challenges small-staffed nonprofits face when it comes to outfitting and running an office. Furniture, equipment and technology can be expensive not to mention the difficulty of keeping regular office hours when there is a program or staff emergency. So in addition to providing **project solutions** and a fully furnished **conference center** we offer professional, functional office space at our convenient Tempe, Arizona location that is available on a flexible basis.

private offices

training room

receptionist

color copier

work space

postage

kitchen

covered parking

meet the space that's right for you.

1843 E. Southern Avenue, Tempe, AZ 85282

Conveniently located near the 101 & Highway 60, our office building is professional, attractive and equipped to handle your organization's needs.

We understand the capital and staffing challenges small-staffed nonprofits face. Our SuiteSynergySM solution provides a cost-effective way to manage your organization. You pay for only the space and services you need but benefit from an environment that not only understands the nonprofit culture but nurtures it.

We have private offices (some with windows), onsite storage, kitchen, restrooms, ample parking and a welcoming reception area. Our functional work-room features a copier, postage machine and office tools. Our fully furnished training room seats up to 35 classroom style or 24 board-room style.

Included in your rental fee:

- receptionist
- telephone
- fax & internet access
- complimentary parking
- utilities & janitorial service
- resource library privileges
- *plus* 1 complimentary use of the training room per month.

+pay-per-use or other charges may apply.
